

Dear Dr

The ICENI Centre has launched an international/UK fellowship programme this year and as your time as a ICENI COLORECTAL FELLOW , at the Trust is coming to an end we would be grateful if you can write a short testimonial of your experiences with us. The aim is to give potential fellows an insight into working/training at the Trust, through the eyes of someone who has 'been there, done that and worn the t'shirt'!

Please describe your journey below with the following questions to guide you.

What is your grade and where were you working before commencing the fellowship?	ST3+
What were your objectives for joining the ICENI Centre fellowship programme?	EXPOSURE TO COMPLEX LAPAROSCOPIC PROCEDURES
How was the support you received from the admin team prior and during the programme?	WAS VERY HELPFUL AND SUPPORTIVE
How would you describe your experience with the clinical team and activities you undertook?	Involved in major, and complex major cases , in addition I was actively involved in audits and research projects.
What benefits did it give you?	Enhanced my Minimal invasive skills.
Would you recommend joining the ICENI Centre Fellowship Programme	YES . I HIGHLY RECOMMEND JOINING THE PROGRAM
What are your plans for the future after the Fellowship programme finishes?	I will be joining North Bristol NHS trust as Royal College Fellow in Colorectal Surgery
TESTIMONIAL: It Was a great opportunity to join this dynamic and distinguished colorectal unit , where as a team we have dealt with complex, and various colorectal pathologies.	

Please sign the accompanying consent form confirming we can use your responses/testimonial/image for marketing purposes

(do you have any photos of yourself in theatre/wards? Would you like to attach any photos?
Alternatively, can a colleague take a picture of you – a mobile phone image is acceptable)

Thank you for your time.

Ali Murtada
