

Introduction to Assisting in Robotics Surgery
Monday 10th & Tuesday 11th July 2023
Course Lead – Mr Subash Vasudevan & Miss Estelle Martin

DAY 1

09:00	Registration and coffee	Faculty
09:15	Aims & Objectives	Estelle Martin/Subash Vasudevan
09:30	Introduction & overview of the Xi robot	Intuitive
10:15	Break	
10:30	Theatre to observe	All
13:00	Lunch	
14:00	Understanding the surgeon console	All
15:00	In-service with Intuitive representative	Intuitive
15:45	Break	
16:00	Patient positioning & anaesthetic considerations for robotics	Estelle Martine/Helen Agostini
17:00	Close	

DAY 2

09:00	Registration and coffee	Faculty
09:15	Re-cap in-service with Intuitive	Intuitive rep
09:45	Draping, docking & undocking	All
11:00	Break	
11:15	Port placement principles	Subash Vasudevan/Rajiv Pillai/Ballari Ghosh
12:30	Managing instrument changes	Estelle Martine
13:00	Lunch	
13:45	Introduction to integrated table motion	Table rep
14:15	Dealing with clashing & working at the edge of the operating field	Subash Vasudevan/Estelle Martin
14:45	Emergency undocking	Subash Vasudevan/Estelle Martin
15:15	Different robotic equipment – How it works/How to maintain it	Subash Vasudevan/Estelle Martin/Jeremy DeVera
15:45	Importance of good communication & human factors in a robotic theatre	Estelle Martin
17:00	Close
